Mr Inderjit Singh

Member of Parliament, Ang Mo Kio GRC

Chief Executive Officer, Infiniti Solutions PL / Managing Director, Solstar International PL

Mr Inderjit is an entrepreneur and politician in Singapore's Parliament representing the Ang Mo Kio GRC. He began his career with Texas Instruments, beginning as an engineer in 1985 and spent 13 years ascending the corporate chain before becoming Director of Operations of the whole firm from 1996 to 1998. After his stint with Texas Instruments, Singh began a career of entrepreneurship, in which he started six businesses after leaving the corporate arena.

Mr Inderjit is a serial entrepreneur and he is one of Singapore's foremost champions of entrepreneurship, having started several companies including the United Test and Assembly Center, Tri Star Electronics Pte Ltd, Infiniti Solutions Pte Ltd and Solstar International Pte Ltd. Currently, Mr. Inderjit Singh is actively managing and is the Founder and Chief Executive Officer of Infiniti Solutions Pte Ltd, a global semiconductor manufacturing services company and Solstar International, an electronics product company actively selling in emerging markets like Africa where he is the Managing Director.

He is also a member of the World Entrepreneurship Forum, a global organisation on entrepreneurship development. He has also been actively driving the transformation of the entrepreneurship landscape and helping to shape policies to better support start-ups, small and medium businesses in Singapore. He serves on the boards of National Youth Achievement Award, and School of Science and Technology, Singapore, where he also chairs the Entrepreneurship Advisory Panel. Currently, Mr Inderjit also chairs the NTU Board of Trustees' Enterprise Committee and is a member in NTU's Board of Trustees. He is the author of the popular book, "The Art and Science of Entrepreneurship", which captures his entrepreneurial experiences.
